## 12.5" Capacity • Semi-Automatic Scissor Bandsaw

### HBS 320 Semi-Automatic Scissor Bandsaw

This new saw features a more rigid and compact design and a built in coolant system. This saw incorporates infinitely variable band speed and cutting force for optimum cutting results. The solid cast monoblock construction of the saw frame ensures that the machine will produce straight cuts, and the blade guides and rollers are carbide to promote longevity. With hydro-mechanical blade tension and an automatic band breakage detection and shut-off feature, this saw is truly a great piece of equipment.

#### Standard Configuration:

- Quick-action vise
- Fixed head/Swiveling vice
