

HBS 325 C

13" Capacity • Semi-Automatic

Dual Column Bandsaw

HBS 325 C Semi-Automatic Dual Column Bandsaw

This new saw features a strong linear-way dual-column design and a built in coolant system. In keeping with an exceptionally high standard of machine quality, this KAAST saw incorporates infinitely variable band speed and cutting force for optimum cutting results. The semi-automatic operation will speed production, while the simple design and brand-name components will ensure easy service and reduced down-time. The solid cast monoblock construction of the saw frame keeps vibrations to a minimum and results in straight, accurate cuts and long blade life. The blade guides and rollers are carbide to promote longevity. With hydro-mechanical blade tension and an automatic band breakage detection and shut-off feature, this saw is truly a great piece of equipment.

Specifications		
90° Cutting Capacity	Round	Ø325 mm (13")
	Flat	450x325 mm (15x13")
	Square	325 mm (13")
+45° Cutting Capacity	Round	Ø250 mm (10")
	Flat	250x325 mm (10x13")
	Square	250 mm (10")
Blade speed	20-100 m/min (65-328'/min)	
Main drive motor	2.2 kW (3 Hp)	
Coolant motor	0.12 kW (0.15 Hp)	
Blade dimensions	4160x34x1.1 mm (164x1.25x0.04")	
Working height	580 mm (23")	
Dimensions	2150x860x1500 mm (85x34x59")	
Weight	820 kg (1800 lbs)	

Standard Configuration:

- Hydraulic quick-action vise
- Exact adjustment from 90° through 45°
- Infinitely variable blade speed
- Roller conveyor 1200 mm (47")

As little as \$345*/month!

*Based on 60 month lease. Rates subject to change without notice.
