

HBS A 380 C

15" Capacity • Fully Automatic

Dual Column Bandsaw

HBS A 380 C Fully Automatic Dual Column Bandsaw

This new saw features a strong dual-column design, automatic material feed, a parts counter, and a built in coolant system. In keeping with an exceptionally high standard of machine quality, this KAAST saw incorporates infinitely variable band speed and cutting force for optimum cutting results. The automatic feed will help reduce scrap, labor costs, and errors, while the simple design and brand-name components will ensure easy service and reduced down-time. The solid cast monoblock construction of the saw frame keeps vibrations to a minimum and results in straight, accurate cuts and long blade life. The blade guides and rollers are carbide to promote longevity. With hydro-mechanical blade tension and an automatic band breakage detection and shut-off feature, this saw is truly a great piece of equipment.

Standard Configuration:

- Hydromechanical blade tension
- Coolant system
- Hydraulic vise
- Infinitely variable blade speed
- Adjustable pressure regulation
- Feed roller conveyor 1200 mm (47")

Specifications

90° Cutting Capacity	Round	Ø380 mm (15")
	Flat	430x380 mm (17x15")
	Square	380 mm (15")
Blade speed	20-100 m/min (65-328'/min)	
Main drive motor	2.5 kW (3 Hp)	
Coolant motor	0.12 kW (0.15 Hp)	
Blade dimensions	4800x34x101 mm (189x1.25x0.04")	
Working height	590 mm (23")	
Dimensions	2900x950x1660 mm (114x37x65")	
Weight	880 kg (1930 lbs)	

As little as \$500*/month!

*Based on 60 month lease. Rates subject to change without notice.
