## HBS A 380 C Fully Automatic Dual Column Bandsaw \$25,400

This new saw features a strong dual-column design, automatic material feed, a parts counter and a built in coolant system. In keeping with an exceptionally high standard of machine quality, this KAAST saw incorporates infinitely variable band speed and cutting force for optimum cutting results. The automatic feed will help reduce scrap, labor costs, and errors, while the simple design and brand-name components will ensure easy service and reduced downtime. The solid cast monoblock construction of the saw frame keeps vibrations to a minimum and results in straight, accurate cuts and long blade life.
